

## Water Makes the World Go Round

## 6 clergy, 2 buckets of water each, 4.5 miles every day, 10-15 May

6 clergy (including Mark!) from Kingston and Surbiton churches are each walking 4.5 miles every day between 10-15 May 2021, carrying 2 buckets of water around their 6 churches.

Please support them by giving what you can to help people like Rose who struggle to access clean water each day.
